**Nature of Noncompliance:** On January 3, 2023, the defendant submitted a urine sample that tested positive for cocaine. On January 18, 2023, the specimen was confirmed positive for cocaine. The defendant initially denied ingesting cocaine; however, he later admitted to the violation. He has agreed to participate in substance abuse counseling and increased urine surveillance. It should be noted that the defendant was previously on federal supervision under Dkt. No. 1:08-CR-0012(01)LY; however, his supervision was revoked with no term of supervised release to follow.

**U.S. Probation Officer Action:** Based on the defendant's willingness to participate in substance abuse counseling and increased urine surveillance, if Your Honor finds it suitable, no further adverse action is recommended.
